CENTRAL INTELLIGENCE AGENCY  
WASHINGTON 25, D. C.

20 May 1957

MEMORANDUM FOR: Chief, Document Division, OCR *JW*  
SUBJECT: Distribution of photographic enclosures  
to CS-LT reports  
REFERENCE: Memorandum from Chief, Document  
Division to Chief, Graphics Register  
dated 8 May 1957; same subject

Graphics Register personnel who are directly concerned with the processing of CS-LT reports have discussed the procedures recommended in reference memorandum and concur in them. We do not anticipate any problems in handling the processing and routing responsibilities assigned to us. However, we cannot assume responsibility for the control of routed documents after they leave this office. We assume that that responsibility will continue to remain with the CIA Library. If in practice any difficulties should arise, we will bring them to your attention and recommend changes in the procedures where necessary.
